Indian Classical Music Circle of D/FW
A Non-Profit Organization
<http://www.icmcdfw.org>

Indian Classical Music Circle of D/FW is a non-profit organization run by a group of music enthusiasts with the mission to promote and create awareness of Indian classical music and fine arts in the D/FW metroplex and the surrounding areas. For the last twenty years, ICMC has successfully staged a rich variety of events encompassing vocal, instrumental, dance and drama performances by some of the greatest contemporary artistes from India and the Indian sub-continent. In addition to the talent from India, it also encourages young, promising and upcoming local talent.

ICMC solely relies on membership, donations, ticket sales and advertisements from local sponsors for its successful operation. Annual membership is offered at different rates with different options. ICMC is continually seeking new and renewed membership in order to promise a healthy flow of artistes through out the year. Your patronage is highly encouraged and appreciated. ICMC also welcomes member involvement in the organization as a committee member or as a volunteer.

We have a very exciting season ahead of us. With your help we can continue our extensive and dynamic programming and make this season a success.

Thank You and Welcome!
